*Auditor's Responsibility:*

*Our responsibility is to express an opinion on these financial statements based on our audit.*

*We have taken into account various provisions of relevant Acts, the accounting & auditing standards and matters which are required to be included in the audit report under various provisions & rules.*

*We conducted our audit in accordance with the standards on Auditing specified by I.C.A.I. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.*

*An Audit involves performing procedures to obtained audit evidence about the amounts and the disclosers in the financial statements. The procedures selected depend on the auditors judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and reasonableness of the accounting estimates made as well as evaluating the overall presentation of the financial statements.*

*We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.*
